- Git
- FontAwesome
- Linux

## Work Experience

### Full Stack Developer

TecNM / Instituto Tecnológico de Tehuacán, September 2018 - December 2018

Responsible for full stack development and database of the module 'didactic instrumentation' for use by all teachers of the National Technological Institute of Mexico.

#### Achievements:

Before the teachers made the didactic instrumentation in programs such as "word", following specific standards and formats, but now:

- Filling data is fast, intuitive and effective.
- At the end of the capture the teachers obtain the didactic instrumentation in a PDF complying with the norms and formats required and the confidence that everything they wrote and saved is in a database.
- The document once generated can be consulted or edited on the platform when and where they want from a web browser and with an internet connection.

#### Technologies used:

- PHP 7
- Yii 2
- jQuery
- MariaDB
- HTML5
- Bootstrap 4

### Web Developer

Lavados Especiales, February 2018 - July 2018

Responsible for full stack development and database of platform for the management of laundry process in the company 'Lavados Especiales' from Puebla city.

#### Description

Platform for automate in efficiently way the control of laundry processes and the company administration with the implementation of the project to obtain a better fastest and internal control.

#### Technologies used:

- PHP 7
- Codeigniter
- MySQL
- jQuery
- HTML5
- Bootstrap 4
- Data Tables

## **Education**

Computer Systems Enginer, TecNM / Instituto Tecnológico de Tehuacán, 2014 - 2018

## **Certifications**

### **Microsoft Technology Associate**

Software Development Fundamentals, 2015

### **Microsoft Technology Associate**

Database Fundamentals, 2015

## **Awards**

### **State programming competition**

In the IT of Puebla on April 22, 2016. Winner of the third place in the intermediate category.

### **National Student Event of Technological Innovation (ENEIT) 2016**

National stage in the IT of Pachuca from 22 to 25 November 2016 by the project "Enerluz".

### **ENEIT 2016**

Regional stage in IT of Gustavo A. Madero in Mexico City, from 20 to 23 September 2016 by the projects "Enerluz" and "Autosilla". Winner with "Enerluz" project.

## **Language**

- Spanish (Native)
- English (Intermediate)

## **Interests**

- Reading
- Watching movies
- Swimming

## **Volunteer**

### **Full Time Missioner**

Misioneros Servidores de la Palabra, April 2011 - September 2013
